# Discover a BETTER *Library* EXPERIENCE!
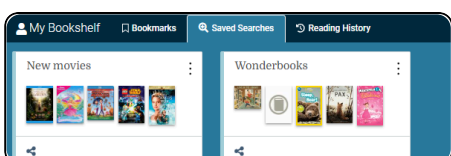

Monarch Catalog Enhancements 2024

Smart Search Result Tabs

Search Result Tabs: All formats and availability of title are shown in one place. Easily click through tabs for more info (location, edition, etc.) about each item. Click on the tab of the specific item you want and "Request It"

How it works: Smart Search Tabs and More Tutorial →

Better Lists, Saved Searches, Reading History

Bookmarks: Bookmark lists are much easier to create and manage. Create a quick "For Later" list and make as many custom lists as you want. Move items around easily or add them to multiple lists.

Saved Searches: Searches can be easily updated and shared.

**Reading History:** Now with more ways to sort and search your reading history.

How it works: Bookmarks, Searches, Reading History Tutorial →

## Physical & Digital Libraries Together

Digital Links: Find links to your library's digital resources on the home page. Offerings may be unique to each library.

More Info: Digital Links Video Clip →

My Bookshelf: See both your physical library items and digital content together under Checkouts and Holds. Easily search and borrow digital content directly from the catalog.

Connecting You to Your Library

Custom Results:
When you're logged in, the status and item information for your home library display first. Libraries with available copies are also grouped together before libraries with checked-out copies.

How it works: Custom Results Tutorial →

Library Info: The top toolbar includes a drop down to quick links for library information of all Monarch libraries.

Monarch2Go App: Search features are mobile friendly. The easy to use "Search Result Tabs" will come up when searching in the free Monarch2Go app.

Feature In Development! Check Back for Tutorial →
